Ms. Princess Obaseki
Mr. Tony Aigbokhai
Ms. Chiamaka Okoye
Ms. Vivian Iyaha
Mr. Kenneth Onyemachi
Ms. Chiamaka Nwankwo
Mr. Lanre Adebayo

The management meeting commenced at **10:06 AM** with an opening prayer led by **Ms. Chiamaka Okoye**.

ADOPTION

The minutes of the previous meeting were subsequently adopted, with the motion moved by **Mr. Desmond** and seconded by **Ms. Princess**.

MATTERS ARISING

AIRTEL PUK:

Mr. Kenneth reported no update yet from Ho & Bro.

LIBERIA CLIENTS:

UBA Liberia: **Mr. Kenneth** reported that the artwork had been submitted and approval was being awaited. The **UBA Visa Liberia Project** remained ongoing, while the **BIN issue** affecting the **UBA Prepaid** had not yet been resolved.

Sierra Leone:

Ms. Chiamaka reported that client follow-up activities were ongoing. She stated that some clients had responded while others were yet to provide feedback.

Wema Bank Afrigo Project:

Mr. Kenneth reported that the challenge encountered was because the chip modules could not be personalized.

Turnkey Malawi Project: MD instructed Princess reachout to the contact regarding the bond as stated before we proceed.

Afrigo License: One-time payment required.

Tally: Mr. Tony reported that the Store Tally system had been successfully reinstalled and connected to the server. It was noted that stock had reduced from **1,350 units to 1,013 units**. Updated stock balances would subsequently be reflected in the system.

Fidelity:

Ms. Princess reported that the Fidelity Bank file had been regenerated. However, difficulties were still being experienced in transmitting the file through Root Mastercard. She further informed the meeting that **Mr. Kenneth** had confirmed that Cardstel's IP address had been whitelisted.

Quality Control: MD reiterated the importance of assigning QC personnel to production activities and directed that a comprehensive QC procedure be developed and implemented across all production units.

Mr. Tony reported that the search for the required **forklift gasket** is still ongoing, and some persons has been contacted for it. It was agreed that the forklift mechanic should be contacted to remove the top cylinder gasket. He also reported that the containers are expected to arrive next week.

Mr. Tunde was instructed to submit the **Nano and CTP report** before the close of business. Further action was required regarding the SIM card artwork sent by **Pats to Hugo**, specifically to confirm whether the order had been placed. The meeting also discussed the need for proper earthing of the solar and inverter installation.

Ms. Princess was assigned responsibility for matters relating to security for **Avedel** and was also requested to provide a report on the benefits derived from threshold achievements. Additionally, **Mr. Lanre** was tasked with coordinating the replastering and painting works.

OTHER BUSINESS

The implementation of an automated chat solution for card services was also discussed.

The meeting further discussed quality control procedures within the production department. It was agreed that Quality Control personnel should be assigned to all production units during production activities to ensure compliance with quality standards. Management also directed that an internal memo be drafted and circulated across all production units outlining the responsibilities of Quality Control personnel, particularly with regard to identifying and reporting defects and other production-related issues.

A note was made to send communication to relevant clients regarding matters relating to **Ms. Gloria's extension and contact information**.

Ms. Princess suggested that mid-year appreciation gifts be presented to clients as part of efforts to strengthen client relationships and improve customer retention. The suggestion was well received and will be considered by management.

ACTION POINTS
